

Knowledge and Life begins with the trees in the garden of Eden and with that other tree, not stated to be in the garden at all.

If there be a tree of knowledge of good and evil,
is there such a thing as human righteousness ?

If there is a tree of Life, how shall men ever find it ?
How does one "eat" of it ?

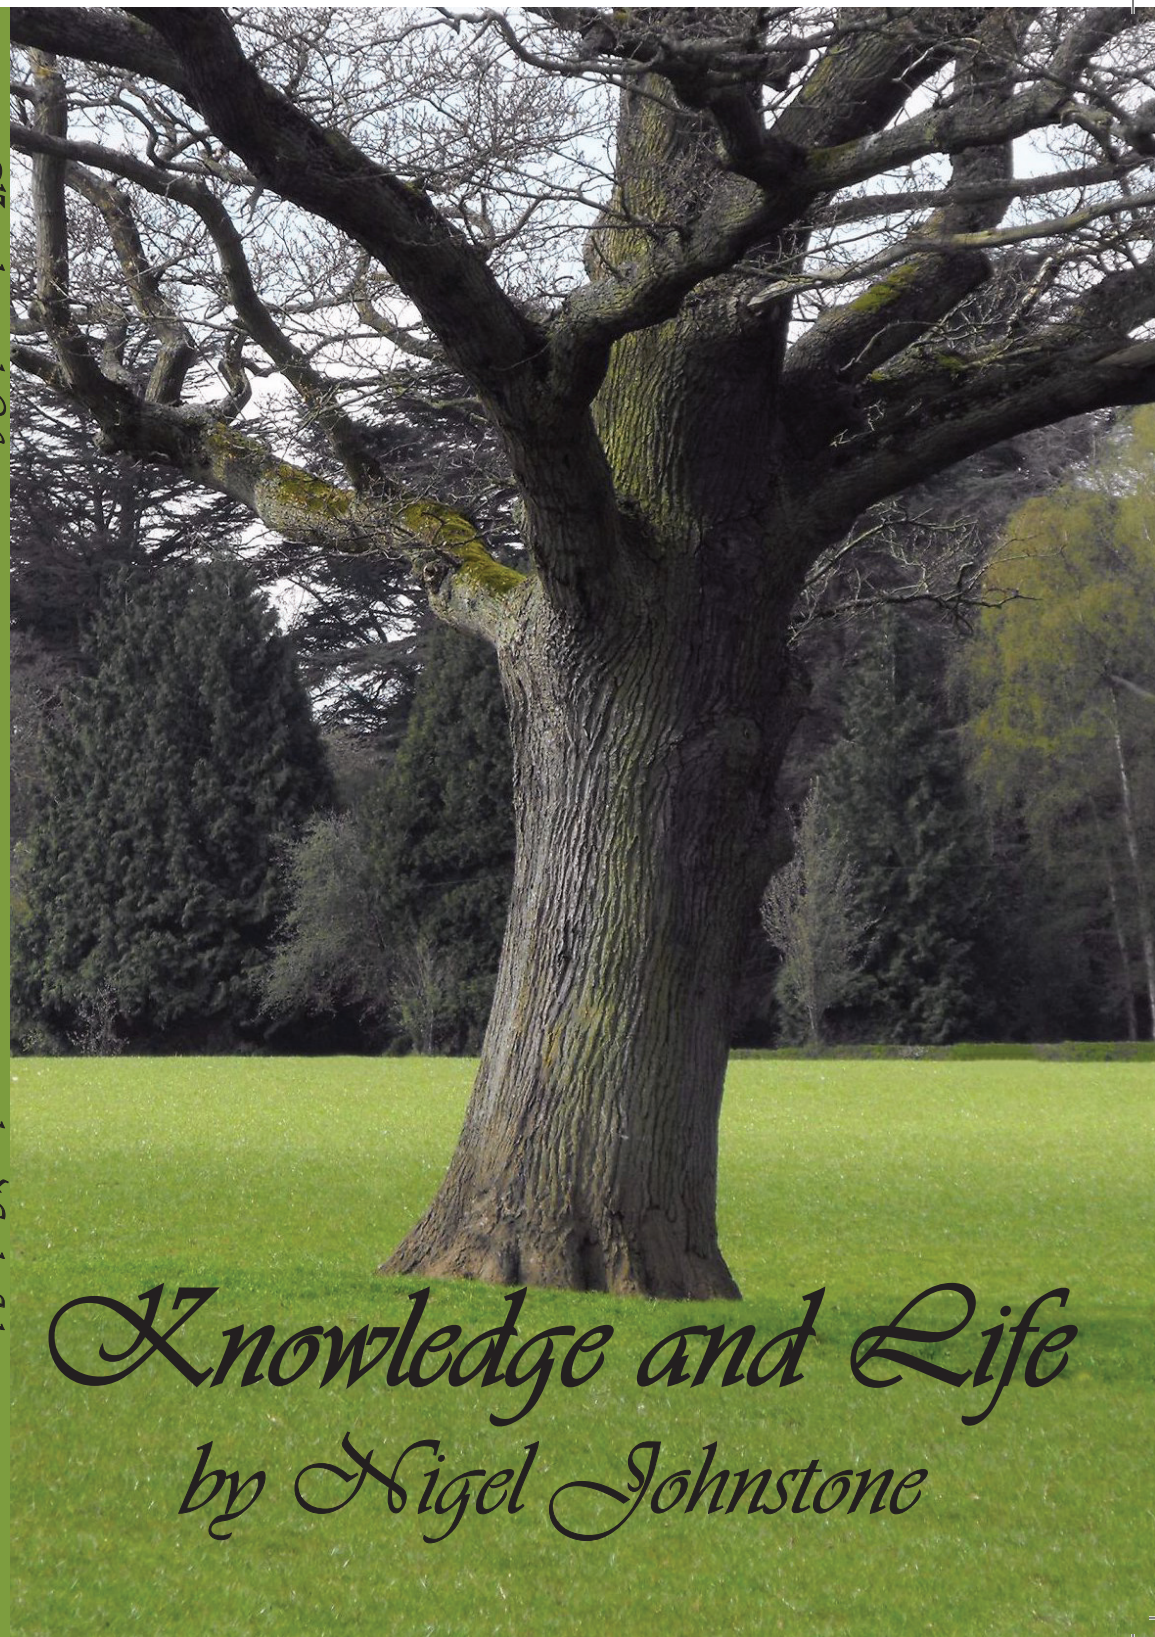

What is life ? What is Life ?

And what can ten camels possibly have to do with
the water of life ?
